something 'Fab' is coming to Harrison County School District

As technological advancements continue, tech-related fields continue to be the fastest-growing going into 2020. A STEM-education based lab is bringing an immersive experience to students in Harrison County and surrounding areas to help them develop the necessary skills before entering the workforce.

The mobile lab, also called Fab Lab, is a joint project of Chevron, the Mississippi Power Foundation and Chemours.

ask aunt edna: what are severance taxes?

Lately Aunt Edna has been hearing a lot about taxes, specifically accusations that the oil and natural gas industry does not pay its fair share to states where operations take place. Before she hastily makes accusations, she asks you to share the facts.
